Applications for the IB Diploma Programme at Richmond Secondary School will be accepted from:

Monday December 16, 2024 until Friday January 10, 2025.

ALL students applying to the IB Diploma Programme are required to submit the Formal IB Intake Supplemental Profile with their application.

Applicants to the IB Diploma Programme from other Richmond Schools do **NOT** need to submit a Transfer Application.

Participation in the IB Diploma Programme may involve activities outside the classroom that are an essential part of the Diploma Programme. Fees may be applied to these activities (for example, the Group 4 Project, guest speakers, lab fees, EE field trips, and other offerings that are above and beyond the regular curriculum).

Should you have questions, contact the IB Diploma Program Coordinator at Richmond Secondary School:

Mr. Dave Miller Tel: 604.668.6400 ext 1312; e-mail: dmiller@sd38.bc.ca

This Course Selection sheet is for the information of the IB Coordinator only, and is a required step in the application process.

At RHS, formal time-tabling for the IB Diploma Programme is done by school administration and counselling staff. Best efforts will be made to place students into their preferred course selections, *but no assurances can be made*.

Diploma Candidates must enroll in at least one course in each of Groups 1-5. Diploma Candidates must have at least 3 HL courses and at least 3 SL courses selected. All Diploma Candidates must take TOK, EE, AND CAS; Course Candidates may choose to enroll in TOK, EE and CAS.

Diploma Candidates must provide at least TWO course requests even when they wish to enroll in only one course in a group of study.

At RHS, Diploma Candidates are unable to take two Group 4 (Experimental Science) courses at the Higher Level.

We **strongly** recommend that students interested in Mathematics Higher Level should enroll in 4 Higher Level courses. Otherwise, we do not recommend that students enroll in 4 Higher Level courses.

We recommend in the strongest possible terms that all incoming students complete Pre-Calculus 11 prior to September 2025.

I ACKNOWLEDGE THAT STUDENTS WHO DO NOT HAVE THE KNOWLEDGE AND SKILLS DEVELOPED
IN PRE-CALCULUS 11 WILL FIND THE CONTENT OF IB MATH SL TO BE EXCEPTIONALLY DEMANDING.
